

LEGAL AUTHORITY
IT'S HOW ATTORNEYS GET JOBS

Attorney Positions *Delivered*

Legal Authority helps hundreds of attorneys find jobs every week.

According to the National Association of Law Placement, "the most common means of obtaining a job was a letter or other self-initiated contact with the employer."

With a dedicated expert staff of employment advocates, resume writers, and researchers, and a database that includes precise and updated information on over 500,000 law firms and corporations, Legal Authority gives you the power to reach every legal employer you could ever want to work for.

Our success is proven. We help more attorneys find jobs than any other source.
